

KORMACHINE

Kormachine Machining Capabilities

www.kormachine.com | quotes@kormachine.com | 254.836.1564

Located in Waco, TX with full five-axis capabilities, KORMACHINE delivers unwavering quality and consistent on-time delivery in all designs, prototypes, and manufactured machined parts and complex assemblies for the aerospace, defense, energy, & rail industries to name a few.

CERTIFICATIONS

AS9100D • ISO9001 • Cage Code • JCP • ITAR

MILLING CENTERS

Mori Seiki DMU50
7" x 17.7" x 15.7" Travel
Full 5 axis

HAAS VF3SS
40" x 20" x 25" Travel
5 – axis with Trunnion & Rotary 4th

HAAS VF2SS
30" x 16" x 20" Travel
5 – axis with Trunnion & Rotary 4th

HAAS VF5/50XT
60" x 26" x 25" Travel
5 – axis with Trunnion & Rotary 4th

Makino A61NX
Horizontal Mill
500MM Pallet
10 Pallet Pool

HAAS EC400
Horizontal Milling Center
Pallet Pool
2+ 6

HAAS EC400
Horizontal Mill
400MM Pallet
6 Pallet Pool

LATHES

Mori Seiki NLX2500/700
10" Main Chuck/8" Sub
Chuck Live tooling
4 Axis with sub-spindle

Mori Seiki NL3000/700
18" Chuck
48" Turning Length
Live tooling
4 Axis

Mori Seiki NL2500/700
10" Main Chuck/8" Sub
Chuck Live tooling
4 Axis with sub-spindle

HAAS ST 35
15" Chuck
32" Turning Length

HAAS ST 25
10" Chuck
20" Turning Length

HAAS TL2
8" Chuck
48" Turning Length

MILL/TURNS

Mori Seiki NT4300 DCG
26" Turning Diameter
59.8" Turning Length

Makino Machining Complex
12 Pallet Stocker
Modular Expansion Capabilities
In-Cell Production Scheduling
Tool Data Management & Reporting Capabilities

Mori Seiki NT4300 Mill-Turn
25.9" Turning Diameter
53" Turning Length
3.5" Bar Capacity
9 Axis

MATERIALS COMMONLY MACHINED

including but not limited to other materials

300 SERIES STAINLESS • 400 SERIES STAINLESS • ALUMINUM • ALUMINUM BRONZE •
ASTEAL • BEARING STEEL • BERYLLIUM COPPER • BRASS • CAST IRON • CHROMUM STEELS
• COPPER • DELRIM • HASTELLOY • INCONEL • K-MONEL • LEAD-FREE BRASS • MANGANESE
BRONZE • MOLYBDENUM STEELS • MONEL • NICKLE 200 • NITRONIC • PARTICIPATED
HARDENED STAINLESS • PHENOLIC • PHOSPHORUS BRONZE • POLYPROPELYNE • STELLITE
• TITANIUM • UHMW • WASPALOY

INSPECTION EQUIPMENT

FARO Portable 3D Measuring
Master view Optical Comparator

PROGRAMMING SYSTEMS

SolidWorks – Mastercam – CAMWorks

WELDING EQUIPMENT

Miller TIG Welding
Miller MIG Welding

SAW

H.E.M. Automatic Saw
12" x 12" Capacity

COSEN C-420NC
Programable Automatic
Mass Production Horizontal Bandsaw
16" Capacity

MISC.

Utility Forklifts 2 EA
Manual Machine Centers for Service & Repair

In addition to our in house capabilities, we also work with many approved outside vendors and this list continues to grow consistently. These services include: all colors of Hard and Clear Coat Anodizing, Black Oxide, Nedox Rubber Coating, Alodine, Armoloy, Ceramic Coating, Sheet Metal Work, Gun Drilling, Precision Grinding on most types of material, Heat Treating, Zinc and Nickel Plating, and Powder Coating.

We look forward to being your machining solution!
